## Empathy is...

seeing with the **eyes** of another,  
listening with the **ears** of another,  
and **feeling** with the **heart** of another.

1

IF WE CAN'T SEE  
*eye to eye*  
LET'S TRY  
*Heart to heart*

2

We rise by **lifting**  
**others.**

3 -Robert Ingersoll

I always  
reverse roles...  
I consider how  
I would feel if  
I were on the  
opposite end  
of things. I do  
what I would  
want done  
for me.

EGYPT - THEGOODVIBE.CO

4

*Do things for people*

NOT BECAUSE OF WHO  
THEY ARE OR WHAT  
THEY DO IN RETURN,  
BUT BECAUSE  
OF WHO YOU ARE.

5

HAROLD S. KUSHNER

**Empathy** has no script.  
There is no right way or wrong way to do  
it. It's simply listening, holding space,  
withholding judgment, emotionally  
**connecting**, and communicating that  
incredibly healing message of  
"You're not alone."

- Brené Brown

Empathy

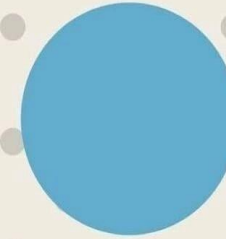

# Showing Empathy

**Empathy** is the *ability to understand another person's thoughts and feelings in a situation from their point of view, rather than your own.*

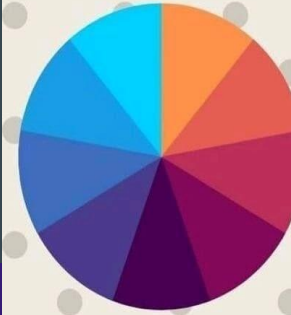

## WHAT PEOPLE THINK EMPATHY IS

earthbound madness

Feeling sorry for someone

## WHAT EMPATHY ACTUALLY IS

- Sensing other people's emotions
- Imagining how someone feels
- Imagine what someone is thinking
- Mirroring someone's feelings
- Identify how a person is feeling
- Understanding another person's feelings
- Seeing things from another point of view
- Really listening to what others have to say
- Feeling overwhelmed by others' tragedy

## Put yourself in their shoes challenge

You see that a friend got a bad grade on a test and they seem really sad about it. Put yourself in their shoes.

How would you feel? What could you do to help?

A classmate is being made fun of because of the way they look.

Put yourself in their shoes.

How would you feel? What could you do to help?

MADE ME FEEL  
SO INSPIRED!

# Tutoring

The SUNY Geneseo School of Education and Office of Field Experiences is reaching out to provide the opportunity for students to engage in a virtual tutoring program for students in Kindergarten to 8th grade. This is the third year that this program has been run, and it is intended to provide students with additional instruction to close some gaps that exist from remote instruction as well as provide overall academic support. The tutoring services are run remotely via Zoom, free of charge, by volunteer teacher candidates from SUNY Geneseo. Please share the attached flyer and linked Google Form sign-up with families. There are a limited number of seats available and spots will be filled on a first come first served basis. We would like to extend the opportunity to your students to participate, and we hope that we can provide additional support to students within your district.
