

Hello Padilla Families:

Welcome to a brand-new school year! We'd like to take a moment to introduce ourselves — Ms. Mary Gray, Mr. Martin Young, and Ms. Marta I. Vargas-Pérez — your Home-School Assistants here at Padilla High School.

Together, we bring several years of experience supporting families and students. Our role is to serve as a bridge between home and school — connecting families with resources, encouraging engagement, and helping address any challenges that may impact academic success.

We are dedicated to creating a supportive, collaborative partnership with our families. Please don't hesitate to reach out with any questions or concerns — we're here to help. We look forward to working with you and building a strong, positive connection this school year!

Sincerely,

Your Home-School Assistant Team
