In addition to a general session on the RCSD comprehensive school reconfiguration plan and powerful keynote addresses from students, each adult in attendance is asked to participate in a breakout information session. Participants will be able to choose from the following topics:

- Academic Achievement: Importance of literacy.
- Board Governance: Board roles and responsibilities.
- Safety and Security: Districtwide safety plan, emergency response guide for families, and school safety best practices.
- Social-Emotional Learning: Tools for social-emotional well-being for families to use at home, new initiatives including telehealth services, and resources for families.
- Special Education: Overview, evaluation process, Committee on Special Education (CSE), and information on the types of services students receive.

There will be a community resource fair beginning at 10:30 a.m. that will continue throughout the event. RCSD parent groups and community vendors will engage families about additional services, programs, and opportunities to get involved.
