### **Details:**

World of Inquiry's senior class of 2024 will participate in a college march to City Hall, where they will mail letters declaring their intent to apply for college. This march provides a forum to celebrate seniors, encourage post-graduation plans, and inspire other students to follow in the seniors' footsteps. Students are reminded that post-graduation opportunities are accessible to all in our District. While college applications are submitted online, these letters of intent will name the student's college and career intentions, along with a note of gratitude for an adult who has supported and guided them in their academic/personal journeys.

The class of 2024 will march from World of Inquiry to City Hall. They are expected to arrive at City Hall at 10:30, where Mayor Malik Evans and Deputy Superintendent of Teaching and Learning Demario Strickland will greet them.
