(March 31, 2025) The Rochester City School District congratulates its student-athletes and coaches who have been recognized by the Rochester City Athletic Conference (RCAC) for their outstanding achievements this season.

### **RCAC Players of the Year**

Jaedon Adams-Griffin, a senior forward from World of Inquiry School No. 58, has been named the RCAC Boys’ Basketball Player of the Year. He led World of Inquiry to a historic season, guiding the team to its first-ever Class B Section V Championship and an appearance in the state final four. On December 3, 2024, Jaedon reached a major career milestone, scoring his 1000th career point, becoming only the second player in World of Inquiry history to achieve this feat.

Semaj Jackson, a sophomore at East High School, has been named the RCAC Girls’ Basketball Player of the Year. She helped lead the East Eagles to a top seed in Class A and a sectional semifinal appearance. Semaj finished the season as the team’s leading scorer with 15.2 points and 10 rebounds per game. She recorded 14 double-doubles this season, and her best game of the year was against Brockport when she scored 20 points, grabbed 11 rebounds, and had two blocked shots.
