		I can understand the importance of professional learning. (Voting Topic)							
		Should we have one hour /week or 2 hours every two weeks?							
		(T, W, Th is the afterschool program)							
		We want it to be relevant for everyone.							
		Ideas: One large Book study? PD for specific groups? Multiple book studies? (People							
		could choose a book that fits their interest)

I can understand how students will collect data. (Voting Topic)
Each student will track 4 things:  1. Attendance every day (Building wide plan to celebrate the attendance 2. NWEA for ELA, Math and Science 3. BAS 4. CFA's for ELA and Math (district required) These pieces need to be in data folders for the students (Folders for this have already
been purchased)
