

# Vocabulary: Easter

Use the pictures below to work on identifying vocabulary by locating items described in the box. →

Make up a sentence to describe each picture.

Model a sentence for your child if needed.

Example: "I dyed many eggs with bright colors."

See how many targeted words your child uses spontaneously and model those they don't use:

- |            |               |          |
|------------|---------------|----------|
| -flowers   | -chick        | -candy   |
| -chocolate | -bunny/rabbit | -stripes |
| -eggs      | -grow         | -soft    |

Find something with stripes.

Find something that is soft.

Find something you can eat.

Find something that grows outside.

Find something that hatches.

Find a small egg and a big egg.

Find 2 things that are blue.

Find a beak.

Find a bow.

Find two types of animals.
