### SOCIAL MEDIA

Cyberbullying here at Franklin Lower has been a problem this school year. Parents/Guardians, please pay close attention to your students text messages and media apps. We are hoping to get the help to STOP the BULLYING in our school building.

### CHROMEBOOKS

Remote learning may be over, but chromebooks remain an important tool in your child's education. They will play an important role in classroom projects, assessment, and academic intervention. Please remind your scholar to bring their Chromebook to school, fully charged, every day. If they need a backpack, all they need to do is ask. If their Chromebook is broken, they should bring it in and tell an adult. Information for students who have never received a Chromebook is available on our school website under the Lower School Parent tab.
