1. Name 5 things you would like to plant in your garden.
2. What's one thing that's happening 'up in the garden'?
3. What's one thing that's happening 'down in the dirt'?
4. What do you need to plant carrots? Name at least 3 things that you would need.
5. Do you think it would be more fun to grow your own vegetables, or buy them at the grocery store?
